## **1 Definitions**

- 1.1 Where the words in this Licence are capitalised, you will find their meaning set out in Appendix 1, at the end of this Licence.

## **2 Grant and Scope of your Licence**

- 2.1 In consideration of you agreeing to abide by the terms of this Licence, (together with the licence fee paid by your Institution), Ordnance Survey hereby grants to you a non-exclusive, non-transferable, revocable licence to access and use the Ordnance Survey Licensed Data, solely for Educational Use (as defined in Appendix 1 and more particularly described in Clauses 3.1 to 3.4) or Limited Administrative Use (as more particularly described in Clauses 3.1 and 3.5), in accordance with the terms set out in this Licence.
- 2.2 For the avoidance of doubt, OS OpenData is governed by separate licence terms which are published at <http://www.ordnancesurvey.co.uk/docs/licences/os-opensdata-licence.pdf>. The terms set out in this EULA shall not apply to OS OpenData or any use of it by you.

## **3 Your Permitted Use**

- 3.1 Subject to Clauses 5 and 6 (and in particular, but without limitation, sub-clause 5.2.2), you may do any of the following activities as part of your Educational Use and/or Limited Administrative Use:
- 3.1.1 download and store the Ordnance Survey Licensed Data to:
- a) your Institution's computer network;
  - b) one of your Institution's Devices; and/or

- c) your own Device, which may be on any other computer network;
- 3.1.2 display, view, interrogate, manipulate, modify, search and otherwise use the Ordnance Survey Licensed Data through:
  - a) your Institution's computer network;
  - b) your Institution's Devices; and/or
  - c) your own Device, which may be on any other computer network.
- 3.1.3 supply copies of the Ordnance Survey Licensed Data (in digital or printed form) to other Authorised End Users of both the same and a different Institution;
- 3.1.4 supply Ordnance Survey Licensed Data to an Authorised Data Handler for the purposes of storing it in another computer network, provided that you ensure they have entered into a Digimap Data Handler Agreement;
- 3.1.5 supply copies of the Ordnance Survey Licensed Data (in digital or printed form) to any PSMA or OSMA Member under the Public Sector Data Sharing provisions set out in Clause 4;
- 3.1.6 print copies of the Ordnance Survey Licensed Data and/or the materials/media which you create which incorporate Ordnance Survey Licensed Data.

#### **Educational Use**

- 3.2 Educational Use is defined in Appendix 1. As part of your Educational Use, you may incorporate, (and/or facilitate the interaction with), Ordnance Survey Licensed Data in various materials / media, and you may publish, distribute, deposit and otherwise make those materials / media available to others (solely as described in sub-clauses 3.3 and 3.4, and subject to your obligations and restrictions set out in Clauses 4 and 5).

#### **Academic Works, Presentation Materials, Research Works and Teaching Materials;**

- 3.3 You may:
  - 3.3.1 incorporate the Ordnance Survey Licensed Data into Academic Works, Presentation Materials, Research Works and Teaching Materials, (these are defined in Appendix 1);
  - 3.3.2 save and use copies of your Academic Works, Presentation Materials, Research Works and/or Teaching Materials yourself for Educational Use;
  - 3.3.3 distribute copies of your Academic Works, Presentation Materials, Research Works and/or Teaching Materials to other Authorised Users for their Educational Use;
  - 3.3.4 publish copies of your Academic Works, Presentation Materials, Research Works and/or Teaching Materials on the world wide web, provided that the mapping images included in such publications comply with the requirements of sub-clause 5.1.4, and subject always to sub-clause 5.2.3;
  - 3.3.5 deposit copies of your Academic Works, Presentation Materials, Research Works and/or Teaching Materials in your own Institution's library and academic repositories, and in other academic repositories, for general unrestricted use:
    - a) in printed form; or
    - b) in electronic form, provided that the mapping images included in such copies comply with the requirements of sub-clause 5.1.4;

- 3.3.6 distribute copies of your Academic Works and/or Teaching Materials to external educational assessors and examiners:
- a) in printed form; or
  - b) in electronic form, provided that the mapping images included in such copies comply with the requirements of sub-clause 5.1.4;
- 3.3.7 distribute copies of your Academic Works and Research Works to an external sponsor of such Academic Works or Research Works:
- a) in printed form; or
  - b) in electronic form, provided that the mapping images included in such copies comply with the requirements of sub-clause 5.1.4, or
  - c) in electronic form, with mapping images in a Vector Format, where such sponsor has its own licence to use the Ordnance Survey Licensed Data, solely for non- commercial purposes;
- and provided always that such sponsorship is not a Commercial Activity;
- 3.3.8 publish copies of your Academic Works and Research Works in academic journals, periodicals and other publications, for the purpose of communicating the results of your scholarly work:
- a) in printed form; or
  - b) in electronic form, provided that the mapping images included in such publication comply with the requirements of sub-clause 5.1.4;
- 3.3.9 display copies of your Presentation Materials at and in connection with a conference, seminar, workshop, or other similar presentation, and distribute them to delegates of the conference, seminar, workshop or other presentation:
- a) in printed form; or
  - b) in electronic form, provided that the mapping images included in such Presentation Materials comply with the requirements of sub-clause 5.1.4;

#### **Educational Navigation Products/Services**

- 3.4 You may incorporate the Ordnance Survey Licensed Data into an Educational Navigation Product/Service (this is defined in Appendix 1), provided that you comply with the requirements set out in this Clause 3.4
- 3.4.1 The mapping images included in the Educational Navigation Product/Service may be in a Vector Format, and/or be geo-referenced, but if so, they shall comply with the requirements of sub-clauses 5.1.4 c) to 5.1.4 e);
- 3.4.2 your Educational Navigation Product/Service shall only be made available for use by other Authorised Users and not publically accessible and for this reason it shall be password protected;
- 3.4.3 your attention is drawn specifically (but without limitation) to your obligations and the restrictions set out in sub-clause 5.2.1, sub-clause 5.2.3, sub-clause 5.2.6, sub-clause 5.2.7, and sub-clause 6.2.
- 3.4.4 Subject to sub-clause 3.4.5, your Educational Navigation Product/Service shall only remain accessible for the then current Academic Year.

- 3.4.5 Ordnance Survey acknowledges and accepts that in certain circumstances it may be necessary for your Educational Navigation Product/Service to remain active and available to view beyond one (1) Academic Year. If you and/or your Authorised Institution reasonably believe that your Educational Use necessitates this, you should discuss the same and after due consideration your Institution may give you written consent for your Educational Navigation Product/Service to remain active and available for a further Academic Year.
- 3.4.6 your Educational Navigation Product/Service shall be subject to such other conditions as Ordnance Survey may reasonably recommend from time to time.
- 3.4.7 If you wish to create an Educational Navigation Product/Service which is likely to contravene the above, you should discuss the same with your Institution so that they can seek our views on the same.

#### **Limited Administrative Use**

- 3.5 You may
  - 3.5.1 incorporate the Ordnance Survey Licensed Data into mapping images for inclusion in printed promotional literature and/or publication on the world wide web for one or more of the following purposes:
    - a) to demonstrate the extent and/or location of an Institution's campus and other fixed assets that are leased, owned or managed by that Institution;
    - b) to show the location of an event organised by an Institution (which for the avoidance of doubt may be premises other than the actual campus of the Institution);
    - c) to provide directions and/or routes to the premises referred to in Clause 3.5.1 a) or the event referred to in sub-clause 3.5.1 b);
    - d) to promote or advertise the Digimap Service.

provided that the mapping images included in such publications comply with the requirements of sub-clause 5.1.4.
  - 3.5.2 incorporate mapping images for inclusion in video clips for publication on social networking websites or media sharing websites, and as screenshots taken from the Digimap Service, published on social networking websites or media sharing websites solely for the purpose of promoting, advertising or demonstrating the use of the Digimap Service, provided that the mapping images included in such publications comply with the requirements of Clause 5.1.4 and Clause 6.
  - 3.5.3 we would draw your attention specifically to your obligations and the restrictions set out in sub-clause 5.2.1, sub-clause 5.2.3, sub-clause 5.2.7, and sub-clause 6.2
  - 3.5.4 you are permitted to incorporate advertising, promotional content and /or sponsorship or business endorsement into the literature, and/or publications referred to this clause 3.5.

#### **4 Public Sector Data Sharing Rights**

- 4.1 Under two agreements known as the Public Sector Mapping Agreement and the One Scotland Mapping Agreement, Ordnance Survey has granted PSMA Members and OSMA Members the right to supply Ordnance Survey Licensed Data to, and receive Ordnance Survey Licensed Data from, certain other Ordnance Survey licensees, subject to certain conditions. These 'sharing' rights are referred to in the Public Sector Mapping Agreement and the One Scotland Mapping Agreement as the 'Public Sector Data Sharing' provisions.

- 4.2 With the exception of Points of Interest Data, You are entitled to supply copies of the Ordnance Survey Licensed Data to, and receive copies of the Ordnance Survey Licensed Data from, any PSMA or OSMA Member under the Public Sector Data Sharing provisions, subject to the following conditions:
- 4.2.1 the Sharing Party must be licensed for the same area of coverage of the same Ordnance Survey Licensed Data being supplied and/or received;
  - 4.2.2 you shall obtain written confirmation from the Sharing Party that they hold a current PSMA Member Licence or OSMA Member Licence and that they are licensed for the same area of coverage of the same Ordnance Survey Licensed Data being supplied;
  - 4.2.3 the use of the Ordnance Survey Licensed Data received by you from the Sharing Party shall be Educational Use only and shall be governed by the terms of this Licence;
  - 4.2.4 the supply by you to the Sharing Party must be to support Educational Use; and/or delivery of the PSMA Member / OSMA Member's Core Business.
  - 4.2.5 you shall maintain a written record of:
    - a) the names and addresses of Sharing Parties from whom you receive or to whom you supply Ordnance Survey Licensed Data;
    - b) the Ordnance Survey Licensed Data which was received by you and/or supplied by you to the Sharing Parties; and
    - c) when the Ordnance Survey Licensed Data was received by you from and/or supplied by you to the Sharing Parties,and you shall provide a copy of that written record to us on written request.
  - 4.2.6 subject to 11.8, Ordnance Survey shall have no obligation or liability to you in respect of any Ordnance Survey Licensed Data received from a PSMA Member or OSMA Member, or any Ordnance Survey Licensed Data supplied to a PSMA Member or OSMA Member.

## **5 Your Obligations / Restrictions**

### **5.1 You MUST:**

- 5.1.1 Keep your Secure Authentication credentials secure and confidential at all times, you must not share them with any other Authorised User or third party and you must take all reasonable steps to ensure that they are not cached or otherwise stored on any Device;
- 5.1.2 notify the Institution that provided you with your Secure Authentication credentials immediately that you cease to qualify as an Authorised User;
- 5.1.3 keep all copies of the Ordnance Survey Licensed Data that you have in your possession or control secure and maintain accurate records of when, where, to whom and in what format/media you have distributed copies of the Ordnance Survey Licensed Data;
- 5.1.4 ensure that any mapping images that are included in Academic Works, Presentation Materials, Research Works and Teaching Materials, which are, or are likely to be, distributed or otherwise made available to persons who are not Authorised Users (including but without limitation by way of publication on the world wide web), shall:
  - a) be in a Raster Format only;
  - b) not be geo-referenced;

- c) be no larger (in scale, coverage area, number of features) than is necessary to fulfil the purpose for which the map is being used;
  - d) include additional information on/alongside/with the map which facilitates the purpose for which the map is being used; and
  - e) you shall take adequate and technological measures to prevent third parties from being able to access, use and/or extract any Ordnance Survey Licensed Data from such materials/media.
- 5.1.5 on request, provide full details and examples of how you are using the Ordnance Survey Licensed Data to Ordnance Survey, Jisc Collections, EDINA and/or your Institution (including full technical details of Educational Navigation Product/Service) for the purposes of our analysis of the Digimap Service and/or as evidence of compliance with the terms and conditions of this Licence.
- 5.2 You must NOT:
  - 5.2.1 use the Ordnance Survey Licensed Data for, or in connection with, any Commercial Activity or Competing Activity, (as defined in Appendix 1);
  - 5.2.2 share, distribute, transfer, sub-licence or otherwise make the Ordnance Survey Licensed Data, or any materials / media incorporating Ordnance Survey Licensed Data, available to other people or organisations (even if they are Authorised Users), except as expressly set out in this Licence;
  - 5.2.3 display, distribute or otherwise use the Ordnance Survey Licensed Data (or any materials / media incorporating the Ordnance Survey Licensed Data) on any social networking or media sharing websites other than as expressly set out in Clause 3.5.2;
  - 5.2.4 incorporate the Ordnance Survey Licensed Data into any mobile application;
  - 5.2.5 make any more copies of the Ordnance Survey Licensed Data (be they electronic or printed copies) than is necessary to fulfil the specific purposes set out in Clause 3;
  - 5.2.6 incorporate the Ordnance Survey Licensed Data into any materials or media which:
    - a) carry any paid for or free advertising, (whether banner adverts, key word adverts, pop-up adverts or otherwise);
    - b) include promotional content;
    - c) include sponsorship or business endorsement;
    - d) solicit donations and resources in kind for charitable, non-profit making, community or volunteer groups or purposes;
 other than as expressly set out in sub-clause 3.5.5.
  - 5.2.7 incorporate the Ordnance Survey Licensed Data into any materials or media which is likely to cause harassment, alarm or distress to any person; or use the Ordnance Survey Licensed Data for any illegal, deceptive, misleading or unethical purposes or in a manner which may be detrimental to the reputation of Ordnance Survey or the Ordnance Survey Licensed Data;
  - 5.2.8 use the Ordnance Survey Licensed Data to assist an Institution with its estate management or other internal business administration, or display and promotion of their services, other than as expressly set out in sub-clause 3.5;

- 5.2.9 use the Points of Interest Data for any form of telephone sales, telephone marketing, direct mail, market research or use of circulation list or fax marketing (direct marketing), which is targeted at individuals or businesses, although this does not preclude the use of the Points of Interest Data for geographic analysis;
- 5.2.10 use the Points of Interest Data for geocoding or correcting any gazetteer or address list or cleaning such data;
- 5.2.11 supply or receive the Points of Interest Data under the Public Sector Data Sharing rights set out in Clause 4 above.
- 5.2.12 misuse the Ordnance Survey Licensed Data or Digimap Service by knowingly, or recklessly, introducing viruses, worms or any other material which is malicious or technologically harmful, nor attempt to gain unauthorised access to the Ordnance Survey Licensed Data or Digimap Service.

## **6 Ownership and Acknowledgement of Intellectual Property Rights**

- 6.1 Notwithstanding the licence granted to you under Clause 3, the Ordnance Survey Licensed Data remains the property of the Crown, Ordnance Survey (or Ordnance Survey's suppliers) and your use and possession of the Ordnance Survey Licensed Data does not give you any title to or ownership of it.

- 6.2 You must ensure that the following acknowledgement of copyright and database ownership is included in a conspicuous position on any display or reproduction of the Ordnance Survey Licensed Data, in any materials/media. This includes, without limitation, within any mapping images displayed on a Device screen from an Educational Navigational Product/Service or on screenshots for publication on any social networking website or media sharing website:

*© Crown Copyright and Database Right (insert date) OS (Digimap Licence)*

The date to be inserted should be the then current year. So for example if you access the Licensed Data and incorporate it into hard copy materials on 18 September 2014, then the date to be inserted is '2014')

- 6.3 Where Points of Interest Data is used you must also ensure that the following acknowledgement is shown in a conspicuous position on any display or reproduction of the Ordnance Survey Licensed Data, in any media:

*This material includes data licensed from PointX® Database Right/Copyright [year of supply or date of publication].*

- 6.4 You must not tamper with, obscure, or remove any Intellectual Property Rights protection measures which appear on-screen on the Digimap Service or on any print-outs made using the Ordnance Survey Licensed Data. Protection measures include copyright and database acknowledgements, Trade Marks, trade mark notations ® or ™ and any other Ordnance Survey or third party logos or proprietary notices;
- 6.5 You must not use your own trade marks or branding on or in relation to the Ordnance Survey Licensed Data.

## **7 Term**

- 7.1 This EULA shall come into force on the date that you first click the 'Accept' button or exercise any of the rights granted hereunder, whichever is the earlier;
- 7.2 This EULA shall remain in full force and effect for the duration of your course of study (students), employment (members of staff) or engagement (consultants and contractors) with/to the Institution, unless terminated earlier as provided for in Clauses 8 and 9.

## **8 Automatic Termination of this Licence**

8.1 This Licence terminates automatically, without notice:

- 8.1.1 when you cease to qualify as an Authorised User (as defined in Appendix 1). By way of example, this includes, without limitation:
- a) Where you are a student, when you finish your course of study or research with an Authorised Institution;
  - b) Where you are a member of an Institution's staff, when your employment ceases;
  - c) Where you are a consultant or contractor engaged by an Institution, for the purposes of teaching or undertaking research, when the period necessary to fulfil that purpose ends, or when your contract terminates, or if the terms of your contract change so that you are no longer permitted to access the Institution's information services, or you otherwise cease to be engaged by the Institution for the purposes of teaching or undertaking research at the Institution, (whichever is earlier)
- 8.1.2 if the terms and conditions of this Licence change and you are notified of that change and you choose not to click accept the new Licence terms and conditions;
- 8.1.3 if the Sub-Licence Agreement between Jisc Collections and your Institution terminates for any reason;
- 8.1.4 twelve (12) months after this Licence comes into force, or 12 months after you last accessed the Digimap Service, if you have not responded to 'click accept' the most recent terms and conditions to indicate your wish to continue being an Authorised User;
- 8.1.5 if your Secure Authentication is disabled by EDINA or your Institution at the end of an Academic Year, or at any other time for any administrative or other reason;

8.2 For the avoidance of doubt, where you are transferring as a student, or member of staff, or a consultant or contractor, from one Institution to another:

- a) you cannot take this Licence with you on transfer, instead your Licence will terminate automatically when you leave the first Institution (as referred to in sub-clause 8.1.1 above);
- b) if you wish to continue using Ordnance Survey Licensed Data, (and /or any materials / media incorporating Ordnance Survey Licensed Data) at your new Institution, you will need to enter into a new licence with Ordnance Survey through that new Institution (once they have provided you with Secure Authentication details).
- c) in the event that you do not enter into a new licence through your new institution prior to leaving your old Institution, you will need to transfer all copies of Ordnance Licensed Data in your possession or control, and any and all materials/media that you have created which incorporate Ordnance Survey Data, to another Authorised User prior to your departure (as referred to in Clause 10.1).

## **9 Suspension and Termination Rights**

- 9.1 Ordnance Survey may take such steps as it reasonably considers necessary, (which may include requiring you to amend your proposed or actual use of the Ordnance Survey Licensed Data, and ultimately suspending or terminating your Licence), if it reasonably suspects that your use of the Ordnance Survey Licensed Data falls outside of Educational Use or Limited Administrative Use (or the spirit of the rights granted and restrictions imposed under Educational Use or Limited Administrative Use).
- 9.2 Ordnance Survey may terminate your Licence immediately on giving you written notice if it reasonably suspects that:
- 9.2.1 you are in breach of any of the terms of this Licence and such breach is incapable of being remedied;
  - 9.2.2 you are in breach of any of the terms of this Licence and the breach, being remediable, is not remedied within thirty (30) days from the date of a written request to do so;
  - 9.2.3 you are persistently breaching this Licence;
- 9.3 You may terminate this Licence by email or other written notice to EDINA.

## **10 Effects of Termination**

- 10.1 Where this Licence is due to terminate automatically under clause 8.1 above, then without prejudice to that Clause, you are entitled, for the purposes of continuity, to supply:
- a) your copies of the Ordnance Survey Licensed Data; and/or
  - b) any Academic Works, Presentation Materials, Research Works and Teaching Materials incorporating Ordnance Survey Licensed Data which you have developed as part of your Educational;
  - c) control of any Educational Navigation Products/Services which you have developed;
- to other Authorised Users of both the same and/or a different Institution prior to your departure and the consequential termination of this Licence.
- 10.2 If this Licence is suspended, terminated, or expires for any reason whatsoever, then subject to Clauses 10.1 and 10.3:
- 10.2.1 your right to access and use the Ordnance Survey Licensed Data is immediately suspended or terminated and you must immediately cease accessing/using the Digimap Service and Ordnance Survey Licensed Data.
  - 10.2.2 you shall within seven (7) days of such termination destroy all copies of the Ordnance Survey Licensed Data within your possession or control (including any Ordnance Survey Licensed Data which has been embedded within any Academic Works, Presentation Materials, Research Works or Teaching Materials that you have developed pursuant to Clause 3, and any Ordnance Survey Licensed Data embedded within your own);
  - 10.2.3 you shall within seven (7) days of such termination remove any Educational Navigation Products/Services that you have developed pursuant to Clause 3 from the platforms on which they are hosted and destroy any Ordnance Survey Licensed Data which has been embedded in such media.
- 10.3 You are entitled to retain the following:
- 10.3.1 printed copies of any Academic Works, Presentation Materials, Research Materials and Teaching Materials,

- 10.3.2 printed screenshots of any Educational Navigation Products/Services;
- 10.3.3 mapping images embedded within any electronic copies of Academic Works, Presentation Materials, Research Works and Teaching Materials (which have been developed by you or received by you from others), provided that such mapping images are in a Raster Format and not geo-referenced;
- 10.3.4 mapping images embedded within any Educational Navigation Product/Service (which have been developed by you), provided that such mapping images are in a Raster Format and not geo-referenced;

for use solely in accordance with the terms of this Licence.

- 10.4 For the avoidance of doubt, you are not required to secure the destruction of any copies of your Academic Works, Presentation Materials, Research Works or Teaching Materials which have been published, distributed, deposited, or otherwise made available to others pursuant to Clause 3.10.5. Any provision of this Licence which expressly or by implication is intended to continue in force following termination of this Licence shall remain in full force and effect.

## **11 Warranties and Limitations of Liability**

- 11.1 Ordnance Survey warrants to you that it is authorised to grant you a licence to use the Ordnance Survey Licensed Data and, subject to Clause 11.2, your use of the Ordnance Survey Licensed Data will not infringe the copyright and/or database rights of any third party.
- 11.2 The warranty set out in Clause 11.1 shall not apply to the extent that:
  - 11.2.1 there is any modification or addition made to the Ordnance Survey Licensed Data, (other than by Ordnance Survey);
  - 11.2.2 the Ordnance Survey Licensed Data is combined with any other data not supplied by Ordnance Survey;
  - 11.2.3 the Ordnance Survey Licensed Data is used other than in accordance with this Licence.
- 11.3 You acknowledge that the Ordnance Survey Licensed Data has not been created for your individual requirements, (whether operationally, functionally, technically, accurately or otherwise) and it is therefore your responsibility to ensure that the Ordnance Survey Licensed Data is fit for your intended use or purpose. In this respect, (but subject to Clause 11.8), Ordnance Survey excludes to the fullest extent permissible by law, all express and implied warranties relating to the Ordnance Survey Licensed Data, including but not limited to, satisfactory quality and fitness for purpose.
- 11.4 Nothing in this Licence shall limit your liability in respect of:
  - 11.4.1 any infringement of our Intellectual Property Rights by you; or
  - 11.4.2 any infringement of our Intellectual Property Rights by a third party which has obtained Ordnance Survey Licensed Data as a result of your failure to comply with your obligations under sub-clause 5.1.1, or sub-clause 5.2.2
- 11.5 You indemnify Ordnance Survey and keep us indemnified against all claims, demands, actions, costs, expenses (including but not limited to full legal costs and disbursements), losses and damages arising from or incurred by reason of your acts or omissions or breaches of this Licence, including but not limited to your liabilities under Clause 11.4 above.

- 11.6 Subject to Clause 11.8, nothing in this Licence shall make Ordnance Survey liable, whether in contract, tort (including negligence, pre-contractual or other representations), or otherwise, for any loss or damage suffered by you of whatsoever nature arising from or in connection with any use of the Ordnance Survey Licensed Data, or from any delay, interruption or failure of any electronic transmission of the Digimap Service.
- 11.7 Subject to Clause 11.5, nothing in this Licence shall make either party liable to the other, whether in contract, tort (including without limitation negligence, pre-contractual or other representations) or otherwise for any indirect, special or consequential loss or damage (including loss of income, loss of business profits or contracts, loss of information, loss of opportunity, goodwill or reputation, or loss of, damage to or corruption of data).
- 11.8 Nothing in this Licence shall exclude or limit the liability of either party for:
- 11.8.1 death or personal injury resulting from negligence;
  - 11.8.2 fraud or fraudulent misrepresentation;
  - 11.8.3 the deliberate default or wilful misconduct of that party.
- 12 General**
- 12.1 The Ordnance Survey Licensed Data may be modified, enhanced, replaced, withdrawn or additions made at any time.
- 12.2 The terms of this Licence may be amended at any time. All such changes shall become incorporated into this Licence immediately and shall apply to you with effect from the start of any subsequent session that you sign in and use the Ordnance Survey Licensed Data through the Digimap Service.
- 12.3 Ordnance Survey is entitled to assign, transfer or novate the benefits and obligations of this Licence. You are not entitled to subcontract, assign, transfer or novate rights and/or obligations under this Licence.
- 12.4 If Ordnance Survey has a right arising from your breach of this Licence and it fails to exercise or delay in exercising that right, such delay or failure shall not constitute a waiver of that or any other right.
- 12.5 With the exception of the Controller of Her Majesty's Stationary Office (who shall have the right to enforce the terms of this Licence against you), which you hereby acknowledge, a person who is not a party to this Licence has no right under the *Contracts (Rights of Third Parties) Act 1999* to enforce or enjoy the benefit of any terms of this Licence.
- 12.6 This Licence constitutes the entire agreement and understanding between the parties concerning its subject matter.
- 12.7 This Licence will be governed by and construed in accordance with English law and both parties submit to the exclusive jurisdiction of the English courts in respect of any proceedings issued in connection with this Licence.

# Appendix 1 – Definitions

Capitalised terms used in this Licence have the following meanings:

**Academic Year** means a year commencing on 1st August and ending on 31 July of the following year.

**Academic Works** means coursework, assignments, portfolios, theses, dissertations, and other similar materials generated by students and members of staff as part of their academic research, study, teaching and learning;

**Authorised Data Handler** means an individual who:

- a) is authorised by Ordnance Survey to handle the Ordnance Survey Licensed Data on an Authorised User's behalf for the purposes of loading and storing such Ordnance Survey Licensed Data onto a secure data service provided by a UK Higher Education or Further Education Institution (irrespective of whether such institution is an Institution), (for example the Secure Data Service provided by the University of Essex) and allowing an Authorised User to interact with the Ordnance Survey Licensed Data on and via that secure data service; and
- b) has entered into a Digimap Data Handler Agreement with Ordnance Survey and that agreement remains in force.

**Authorised User(s)** means an individual who:

- A is authorised by an Institution to have access to its information services (whether on-site or off-site) via Secure Authentication; and who
- B has completed EDINA's registration process for the Digimap Service and has click accepted the terms of this Licence; and who is either:
  - i) a current student of an Institution; or
  - ii) a member of staff (whether permanent or temporary, including retired members of staff); or
  - iii) is a consultant or contractor who is engaged by an Authorised Institution for the purposes of teaching students of that Authorised Institution and/or undertaking academic research with that Authorised Institution and whose contract permits them to access that Authorised Institution's information services, provided that such persons shall only qualify as 'Authorised Users' for period necessary to fulfil that purpose (for example, for the period necessary to prepare and deliver the teaching and/or research).

For the avoidance of doubt, individuals enrolled with an Authorised Institution's fully affiliated overseas campus qualify as Authorised Users provided that the requirements set out in a) to c) above are satisfied.

**BIS** means the Secretary of State for Business Innovation and Skills.

**Commercial Activity** means the supply and/or use of the whole or parts of the Ordnance Survey Licensed Data for the purpose of monetary reward or money's worth (whether by or for an Institution or an Authorised User) by means of the sale, resale, loan, transfer, hire or other form of exploitation of the Ordnance Survey Licensed Data.

For the avoidance of doubt, where a commercial organisation provides a grant, sponsorship or other funding to you and/or your Institution (for example, but without limitation, where a commercial organisation funds: (i) the building of a university laboratory, (ii) a student's course of study; or (iii) a particular research project), this does not constitute a Commercial Activity, provided that:

- a) the commercial organisation is not providing the grant, sponsorship or other funding for the purpose of funding commercial research; and/or
- b) the commercial organisation is not commercially exploiting any materials generated by you; and/or
- c) where you or your Institution are obliged, or wish, to supply the commercial organisation with a copy of any materials generated by you or them, and such materials include copies of the Ordnance Survey Licensed Data, the materials being supplied to the commercial organisation shall:
  - i. be in printed form, or
  - ii. be in electronic form with mapping images that are in a Raster Format only and not geo-referenced, or
  - iii. be in an electronic format with mapping images that are in a Vector Format only if the commercial organisation has its own licence to use the Ordnance Survey Licensed Data and such licence is for non-commercial purposes.
